

Appendix B. Additional Resources

March 2024

These resources are intended to help a responsible agency draft an event description for processing through the invasive fishes communications protocol.

1. AIS-related documents of Lake Committees/Council of Lake Committees/CGLFA

- Council of Great Lakes Fishery Agencies Position Statement on Invasive Carps
http://www.glf.org/pubs/cglfa/CGLFA%20position%20statement_invasive%20carps_final%202023.pdf
- Lake Erie Grass Carp Adaptive Response Strategy 2024-2028, Lake Erie Committee
http://www.glf.org/pubs/lake_committees/erie/LEC_docs/other_docs/Grass%20Carp%20Adaptive%20Response%20Strategy_2024-2028_%20FINAL.pdf
- Lake Erie Committee Position Statement on Asian Carp
www.glf.org/pubs/lake_committees/erie/LEC_docs/position_statements/LEC_Asian_Carp_Position%20Statement.pdf
- Bighead & Silver Carp in the Lake Erie System 2017 Update
http://www.glf.org/pubs/lake_committees/erie/LEC_docs/other_docs/LEC_Asian_Carp_Fact_Sheet_2018.pdf
- Genetic test confirms first grass carp eggs collected in the Maumee River
www.glf.org/pubs/pdfs/2017%20Grass%20Carp%20egg%20collections%20in%20the%20Maumee%20River%20FINAL.pdf
- Council of Lake Committees Position Statement on Asian Carps
www.glf.org/pubs/clc/CLC%20position%20statement%20about%20Asian%20carps_FINAL.pdf
- Environmental Principles for Sustainable Fisheries in the Great Lakes Basin, CLC, March 2016 (see Principle 7)
www.glf.org/pubs/clc/Environmental%20Principles%20for%20Sustainable%20Fisheries%20in%20the%20Great%20Lakes%20Basin_Mar_2016_CLC%20approved%20version.pdf
- Communication Framework for A Joint Strategic Plan for Management of Great Lakes Fisheries, CGLFA
www.glf.org/pubs/cglfa/CGLFA%20Communication%20Framework%20for%20JSP.pdf
- Risk Assessment for the Introduction or Transfer of Fish and Associated Pathogens into the Great Lakes Basin, October 2014
[www.glf.org/pubs/fhealth/GLFHC%20RA%20\(Revised%20October%202014\).pdf](http://www.glf.org/pubs/fhealth/GLFHC%20RA%20(Revised%20October%202014).pdf)
- Invasive species section on GLFC website (with additional links)
<http://www.glf.org/invasive-species.php>
- Sea Lamprey on GLFC website

<http://www.glf.org/sea-lamprey.php>

2. Great Lakes Aquatic Nuisance Species Panel- Great Lakes Commission

- General info
<https://www.glc.org/work/invasive-species/>
- Great Lakes Panel on Aquatic Nuisance Species
<https://www.glc.org/work/glpans>

3. Conference of Great Lakes St. Lawrence Governors & Premiers

- Mutual Aid Agreement for Combating Aquatic Invasive Species Threats to the Great Lakes – St. Lawrence Basin
 - <http://www.gsgp.org/media/1139/ais-mutual-aid-agreement-4-26-14.pdf>
- Least-wanted species
 - www.gsgp.org/media/1156/least-wanted-press-release-and-listing-6-1-13.pdf
 - www.gsgp.org/media/2076/may-4-2018-least-wanted-announcement.pdf

4. Other topics-

- Asian carps risk assessments
 - <https://asiancarp.ca/WHAT-IS-AT-RISK/Risk-Assessments>
- ANS experts database
 - <https://www.anstaskforce.gov/experts/search.php>
